Job Position: Industrial Hygiene Specialist
Employer: Empire State Mines, a Titan Mining Corporation Company
Posted Date: February 2022

Empire State Mines is currently seeking a professional to fill the role of **Industrial Hygiene Specialist** at its underground Zinc operation. This position is based at the Empire State Mine site located approximately 10 miles from the town of Gouverneur, New York. Located within 2-hour drive of The Thousand Islands, Lake Ontario shoreline, the Adirondack Mountains and world class skiing at Lake Placid. Explore Canada with Montreal and Ottawa only 2-3 hours away.

Responsibilities:

- Collect samples and data underground and on surface to analyze the risk and exposure of any chemical substance, biological agent, or physical stress to be certain all are within regulations of state, federal, and local laws, and Company policies;
- Provide support to each work area in order to consistently survey and reduce risks;
- Communicate and provide reports regularly to the health and safety superintendent;
- Communicate and work with regulatory agencies;
- Other reasonable duties as needed.

Qualifications:

- 3 years of safety and industrial hygiene experience;
- Experience in underground mining and with mining equipment preferred;
- Certified MSHA instructor a plus;
- Excellent communication and interpersonal skills;
- Ability to work with word processing and spreadsheet computerized programs;
- Skill in written and verbal communication (in English), critical thinking, data analysis;

EMPIRE STATE MINES offers:

Competitive Pay
401K Retirement Plan
Medical, Vision, Dental, and Life Insurances
Paid Vacation, Holidays, and Time Off
